

The Five Day Bible Reading Program

The New Testament

2026 EDITION

HOW IT WORKS

This reading plan is designed to guide you through the entire New Testament over the course of one year. This plan leads you through the life of Christ and the teaching of the New Testament, helping you remain steady and consistent in God's Word.

This special Bible reading system allows you to read Scripture regularly in just five readings a week. This gives room to catch up or take a day off to focus on other Bible reading or spiritual disciplines, making daily time in God's Word practical and doable.

Check off each day's reading when you are finished. You will be amazed at how quickly you are deep into the year and still reading your Bible consistently. Many people have successfully reached their goal of regular Bible reading using this schedule, and you can too.

God's blessings rest with those who read, understand, and live by His Word. May this guide help you as you seek Him this year.

"Thy word is a lamp to my feet, and a light to my path."

Psalms 119:105
